Three opportunities are available for the public to address the Board committee during a Board committee meeting: (1) before closed session regarding matters to be discussed in closed session, (2) before a specific agenda item is debated and voted upon regarding that item and (3) general public comment. The exercise of the right to address the Board committee is subject to restriction as to time and appropriate decorum. All persons wishing to make public comment must fill out a goldenrod Public Comment Form and submit it to the Secretary of the Board. Public comment is generally limited to three (3) minutes per speaker and the total time available for public comment may be limited at the discretion of the Chairperson. Persons whose speech is impaired such that they are unable to address the Board at a normal rate of speed may request an accommodation of a limited amount of additional time from the Chair but only by checking the appropriate box on the Public Comment Form. Granting such an accommodation is at the discretion of the Chair. The Board committee will not and cannot respond during the meeting to matters raised under general public comment. Pursuant to provisions of the Brown Act governing these proceedings, no discussion or action may be taken on these matters unless they are listed on the agenda, or unless certain emergency or special circumstances exist. However, the Board committee may direct staff to investigate and/or schedule certain matters for consideration at a future Board committee meeting and the staff may respond to all public comments in writing prior to the next Board committee meeting.

MARCH 14, 2022

TO: BOARD OF DIRECTORS

FROM: F SCOTT JEWELL, DIRECTOR OF ADMINISTRATION

RE: CONSIDERATION TO APPROVE RESOLUTION TO CONTINUE PUBLIC MEETINGS THROUGH TELECONFERENCING

ISSUE:

Pursuant to state law (Assembly Bill 361), Board approval is required to continue meeting through teleconferencing (virtually).

RECOMMENDATION:

Approve the following resolution - "The Access Board of Directors has reconsidered the circumstances of the state of emergency; and the following circumstances exist: (i) The state of emergency continues to directly impact the ability of the members to meet safely in person; and (ii) State or local officials continue to impose or recommend measures to promote social distancing. Hence, teleconferencing for Access Board and committee meetings will continue for the next thirty (30) days."

IMPACT ON BUDGET:

None.

ALTERNATIVES CONSIDERED:

The Board may opt to revert to in-person meetings, which would be applicable to all Board and committee (including CAC and TPAC) meetings. Board/committee members could elect to attend remotely, however the locations from which they attend would be subject to Brown Act requirements (posting of the address of the remote location along with allowing for public participation from that location). Public participation would also revert to the in-person requirement.

BACKGROUND:

During the pandemic, the Access Board and its committees have been able to meet via teleconference (virtually) due to a State of California executive order that suspended certain Brown Act provisions. While that order has expired, recently enacted state legislation (AB 361), allows for the continuation of virtual meetings provided that the Board makes the determination as stated in the above recommendation. This determination must be made by the Board every 30 days.

Under current Los Angeles County Department of Health guidelines, masking is required indoors regardless of vaccination status in public and office settings when there is more than one (1) person in a room. In addition, social distancing for indoor operations and events is still recommended. These directives provide justification for the above recommendation.

Due to the thirty-day requirement, staff will schedule Special Board Meetings to renew the resolution as appropriate.
