Northern Region**

## **Access Services Contract Opportunities for Small Businesses**

**SMALL BUSINESS OPPORTUNITIES AVAILABLE FOR A QUALIFIED  
TRANSPORTATION SERVICE CONTRACTOR TO OPERATE ACCESS PARATRANSIT**

### **Overview**

Access Services has released a Request for Proposal (RFP) No. AS-4195 to select a qualified transportation service contractor to operate Access Paratransit, a service for qualified individuals with disabilities in Los Angeles County for the Northern Regions.

The intent of Access to award one contract for the operation of specialized ADA transportation services, contractors are not discouraged from utilizing qualified subcontractors in the delivery services.

There are no contract-specific goals for this contract, however bidders are strongly encouraged to use small businesses on this contract.

Small businesses include but are not limited to certified small businesses and other diverse businesses.
