Applying for Access

An in-person evaluation is required to determine your eligibility with Access Services. In order to ensure that Access has the necessary information to process your application, complete the following steps:

Access Rider ID number is required.

If you do not have an Access ID Number, please contact Customer Service at **1.800.827.0829 (TDD 1.800.827.1359)** or visit eligibility.accessla.org to have one issued (application will not be processed if ID number is missing).

- 1** Complete and mail the application portion in the enclosed envelope to:
Access Eligibility Center
5747 Rickenbacker Rd
Commerce, CA 90040 or via email to: **EligDept@accessla.org**
If you have other questions related to the application or need assistance, filling out the form, please call **1.800.827.0829 (TDD 1.800.827.1359)**.
- 2** Allow **seven (7)** calendar days after you send in your application form to call the Access Eligibility Scheduling Center.
- 3** Schedule your in-person evaluation at **626.532.1616 (TDD 626.532.1620)**, Monday through Friday from 8am-5pm. Please do not call before the **seven (7)** calendar day period.

Access provides free transportation to and from your in-person evaluation. Applicants also have the option to provide their own transportation.

Required In-person Evaluation

- > A photo will be taken. We will ask to remove articles that obscure your face.
- > If applicable, bring your primary mobility device that you intend to use while out in the community.
- > If you need assistance, please bring a personal care assistant (PCA).
- > Bring a **valid photo ID**. Access accepts the following form(s) of photo ID (required):
 - a. State issued Driver's License or ID
 - b. Military ID
 - c. U.S. Passport
 - d. LACTOA Reduced Fare ID card

You will be assessed with the primary mobility device/aid that you bring to the eligibility center at the time of your appointment. If you change your mobility device following your evaluation, you may be required to return for a new evaluation in your new device. Use of a different mobility device may change your functional ability to use accessible fixed route transit.

IMPORTANT: Most of the accessible vehicles in our fleet are designed to accommodate a mobility device no larger than 30 inches wide by 48 inches long and/or weighing with its passenger up to 600 pounds. While we make all reasonable efforts to accommodate our riders, if your mobility device is larger than this, we may be unable to transport you either because it would damage the vehicle or to do so would impose an unreasonable safety hazard.
