Access Services, Consolidated Transportation Services Agency (CTSA)
response to the Novel Coronavirus (COVID-19)

To support the health and safety of staff, instructors and class participants, all scheduled workshops including events are temporarily postponed until further notice. Because COVID-19 is complex and evolving rapidly, Access' plans to reinstate workshops and events is unknown and may change.

If you registered for an upcoming class, workshop or event, you will receive a cancellation notice via email.

We apologize for any inconvenience this may cause but believe this is the best decision for everyone. As Access continues to closely monitor public health information regarding COVID-19, all CTSA related updates can be found on [Access Services CTSA](#) website and sent electronically to all registered CTSA participants.

We sincerely hope your colleagues and family remain safe. We are thankful for your continued support of Access Services and look forward to rescheduling the classes as soon as it is safe to do so.

Warm regards,
Access Services, Consolidated Transportation Services Agency
