QSS MEMBERS NEEDED!

Every year the Access Services Community Advisory Committee (CAC) appoints persons to its Quality Services Subcommittee (QSS). Members serve one-year terms and meet at least once every quarter in El Monte at Access Services Headquarters. The QSS monitors the quality of service for Los Angeles County ADA Paratransit System and makes comments and recommendations to sustain and improve such service.

If you are interested in being considered for the 2020 calendar year term, please go to the following link: http://www.accessla.org/about_us/qss.html and return a completed application to Access Services no later than 5:00 PM on Friday February 28, 2020. Note, incomplete applications will not be considered. Once received by Access Services, completed applications will be reviewed to assure that a candidate’s background and qualifications meet the needs and requirements of the QSS. Applications, which do not show that an individual meets the background and qualification requirements, will be rejected. Accepted applications will be sent to the CAC for ratification. If you are then approved for membership to the QSS, you will be notified by telephone, letter or by E-mail.
