WELCOME TO ACCESS PARATRANSIT!

Access Paratransit is an Americans with Disabilities Act (ADA) mandated public transportation service for people unable to independently use the bus or light rail services in Los Angeles County for all or some of their trips.

This "how to" guide is designed to provide answers to questions you may have about using Access Paratransit.

Please note that Access Paratransit Policies and Procedures may change. Riders will be notified of changes through Rider Alerts and/or other Access Paratransit public announcements. Please make sure Access Services Customer Service always has your current address and phone number (see page 5 for phone number).

CONSIDER YOUR OPTIONS

You may have options on how to get to where you want to go that are more flexible, convenient, and less expensive.

Use the bus or train – With your Access ID card you and your Personal Care Assistant (PCA) can use many of the local buses and trains FREE (see page 30 for a list). Since the bus runs on a regular schedule it is convenient and more flexible than paratransit. The bus does not require reservations; you can get up and go. For help scheduling a bus trip, call 1-800-COMMUTE or use the internet trip planner at www.metro.net.

Use local Dial-A-Ride – Many communities have a Dial-A-Ride that you may qualify for. Dial-A-Rides serve a local community and are usually less expensive than Access Paratransit.

By considering all your transportation options - the bus, dial-a-ride, and Access Paratransit - you can gain greater independence. For information

regarding other transportation options please call RIDEINFO at 1-800-431-7882

1-800-827-1359 (TDD)

If your vehicle has not arrived by the scheduled pick up time plus the 20-minute on-time window, please call the same Reservations number you called to schedule your ride. Ask for an estimated time of arrival (ETA) and the vehicle number that has been assigned your trip.

If the vehicle has not arrived within the given ETA, **call the Access Services Operations Monitoring Center (OMC)**. The Operations Monitoring Center has a staff dedicated to helping Access riders with immediate service needs, including ensuring no one with a scheduled ride is left stranded away from home. The Operations Monitoring Center is open 24 hours per day, 7 days a week.

The OMC maintains a Backup Response System designed to offer a “safety net” on occasions when a trip does not go as planned. OMC will contact ASI providers for you to find alternatives for getting you home, including dispatching a road supervisor or other vehicle, if available. OMC can also request help from a “backup provider.” Backup providers are not Access

Paratransit drivers or vehicles. They may be available to give you a ride faster than an ASI vehicle

OMC operators can send a “wait-only” vehicle to stay with you until appropriate transportation arrives. For ASI riders using a mobility device such as a wheelchair, wait-only vehicles can offer an added sense of security.

For more details see our website at www.asila.org or contact Customer Service.

All Access Paratransit riders are given a free identification (ID) card when they become eligible. **Riders must show their valid Access Paratransit identification card to the driver at the time of boarding.** If you lose your identification card, please call Customer Service immediately. Identification cards will be replaced for a \$3.00 fee.

Do not allow anyone to use your Access Services ID card for any reason. If you do, you may be suspended from Access Paratransit.

SCHEDULING YOUR TRIP

To schedule a trip on Access Paratransit, call 1-800-883-1298. You will hear a choice of Service Regions to choose from. These numbers are listed in the Quick Reference on page 2 or look for the city on the regional guide starting on page 31.

If you have Restricted or Trip by Trip eligibility you may only schedule trips as described in your eligibility determination letter. Repeatedly scheduling invalid trips could result in you being temporarily suspended.

You may request a pick-up for anytime during Access Paratransit's operating hours (See page 7). The Reservationist may offer a pick-up time within one hour before or one hour after your requested pick up time for a Next Day trip ("Reservation Window"). If the Reservationist cannot schedule a trip for you within the Reservation Window, it is considered a "Trip Denial" and you may report it to Customer Service even if you accept the trip time offered.

EXAMPLE:

**IF YOU REQUEST A PICK-UP AT 6:00AM
YOU CAN BE OFFERED A TRIP BETWEEN 5:00AM AND 7:00AM**

Return trips should be scheduled for the latest time you think you will be able to travel. If you are ready earlier than your scheduled pick-up time, you may call to see if an earlier ride is available. **If an earlier ride is not available, you will need to keep your original pick-up time.**

Example: A rider goes to the doctor and does not know what time they will be finished, so they schedule their return trip for 4:00 PM. They are actually finished at the doctor and ready to go at 2:00PM. The rider can call to see if they can get an earlier ride, but if they cannot, they will need to keep their 4:00 PM ride home.

Trips **cannot** be scheduled to have a vehicle wait for you to drop something off or pick something up. You will need to schedule 2 separate trips.

Drivers are not allowed to change drop off locations or make intermediate stops, including fast food drive throughs.

TRIP SCHEDULING WORKSHEET

When you call to schedule an Access Paratransit trip, please be prepared to provide the following information in the following order:

1. Access Paratransit ID number. (See page 9)
2. Exact pick-up address. (See page 14)

3. Exact drop-off address. (See page 14)
4. Mobility device or service animal (if applicable). (See page 17)
5. Total number of passengers (PCAs or guests) traveling. (See page 18)
 - Mobility device or service animal for PCA or guest
6. Cross streets and/or any landmarks at pick-up address.
7. You will be asked if you want a “call out”. (See page 15)
 - If so, provide your call out phone number for that trip.
8. Requested pick-up time and date. (See page 9)
9. Please be sure to get a **confirmation number** for your reservation before hanging up. This will help us identify your trip more easily.

IMPORTANT!: When you make reservations you must specifically request a return trip to get a return trip. Return trips are not automatically scheduled.

You may book a total of 6 one-way trips per telephone call, which may be for one individual, or multiple individuals. Calls may not be transferred between providers; riders may have to call more than one provider to schedule their trips.

You may not request a specific type of vehicle except to accommodate a mobility device.

If you would like the driver to approach you at the curb pick-up, please tell the Reservationist.

Reminder: If you are on hold with Access Paratransit, **do not hang up.** If you hang up and call back, you will return to the end of the phone waiting line.

CHANGING OR CANCELING A SCHEDULED PICK-UP

If you want to request a change for a trip you have already scheduled, please call the reservations number. ASI is not required to accommodate trip change requests on the day of the trip.

When you discover you cannot take a scheduled trip, call reservations immediately and cancel the trip. When canceling a trip, please be prepared to give the Reservationist your Access Services ID number, name, address, scheduled pick-up time and confirmation number.

If you cancel your trip with less than two hours notice, or if you schedule a ride and do not show up for the ride, you may be charged a “No Show”.

Riders who have 6 or more verified Rider No Shows in a 60-day period may be suspended from using Access Paratransit.

RIDER NO SHOWS OR LATE CANCELLATIONS

A Rider No Show occurs when

- you cancel a trip less than two hours before the scheduled pick-up time or
- you do not show for a scheduled ride within 5 minutes of the driver arriving, as long as the driver arrived within your 20-minute pick-up window.

It is not a Rider No Show if the driver arrives after the 20 minute pick-up window – regardless if you are there or call to cancel the trip.

If you get 6 valid Rider No Shows in 60 days, your eligibility may be suspended. Written notice will be sent on Rider No Shows.

If the Rider No Show or Late Cancellation is for a good cause and/or due to circumstances beyond your control you may request that it be removed from your record by calling Customer Service to explain the circumstances.

Note: Riders also have the right to appeal or dispute all No-Show decisions. Please contact the Customer Service Center for more details about Rider No Shows or Late Cancellations.

STANDING ORDER TRIPS

If you have one or more recurring trips per week (same pickup time, same pickup address, same destination, etc.), you may request a “Standing Order” trip. If your request is approved, a vehicle will be sent for you automatically and you do not need to call to reserve the trip the day before.

The ADA allows Access Paratransit to schedule Standing Order trips as long as the total number of Standing Order trips does not exceed 50% of the total number of trips. During certain times of the day Access Paratransit may have reached that limit and will place your name on a waiting list. You will still be able to make Next Day reservations for that trip while you wait for the Standing Order approval.

To request a Standing Order trip, please call the reservations number approximately two weeks before you would like the trip to begin. Please keep in mind the following information regarding Standing Order trips:

- A trip needs to be consistent for a minimum of six weeks.
- Trips do not have to be at the same time each day of the week. For example, you may request a 7:30AM pick-up on Mondays, a 6:30AM pick-up on Tuesdays, an 8:00AM pick-up on Wednesdays, etc.
- If you would like to request a one-time change to a Standing Order trip, you will need to cancel the trip and book a trip through the standard reservations process.
- The “**Rider Cancellation and No Show**” policy will apply to Standing Order trips. If necessary, please cancel your Standing Order trip **as soon as you know or at least 2 hours in advance.**
- You may cancel your Standing Order trips for up to 30 consecutive calendar days at any given time. If a Standing Order ride is cancelled for longer than 30 days, it is subject to cancellation.
- Standing Order trips will be automatically canceled on the following holidays:

New Year’s Day
President’s Day
Memorial Day
Independence Day
Labor Day

Veteran’s Day
Thanksgiving Day
Day after Thanksgiving
Christmas Day.

- If you need a ride on any of these days, you will need to book a trip through the regular reservation process. (See page 9)

TRAVEL TIPS

PEAK PERIODS

Access Paratransit is busiest on weekdays from:

7:00 AM – 10:00 AM
12:00 PM – 4:00 PM

If possible, you may wish to schedule your trips for times outside of these “peak periods” (prior to 7:00 AM, between 10:00 AM and 12:00 PM or after 4:00 PM).

TRAVEL TIME ON AN ACCESS PARATRANSIT VEHICLE

A trip on Access Paratransit may take approximately as long as it would on the bus or train. The vehicle’s route may not be direct to your destination due to shared rides, traffic and other factors. Access Paratransit considers the trip length to be excessive where it exceeds the fixed route travel time plus other travel related factors (time to get to and from the bus and the time waiting for the bus).

When you believe that the length of time for your trip is longer than it would be on a bus or train, you may report that trip to Customer Service.

IMPORTANT POLICIES

WHERE DO I WAIT FOR THE VEHICLE?

Access Paratransit is a **CURB-TO-CURB** service. Riders must meet the Access Paratransit vehicles at the curb.

Access Paratransit drivers cannot leave the vehicle to enter a building or come to the door for you. If assistance is needed to and from a pick-up

or drop-off curb, please be prepared to have a companion or Personal Care Assistant available.

The driver will wait for you in front of or as close as possible to your scheduled pick-up location.

Access Paratransit will refuse service to a specific location that cannot safely accommodate our vehicles, e.g. alleys, and underground parking.

Generally, Access Paratransit will only enter publicly accessible areas where our largest vehicles are not required to back up to exit and the roadways are wide enough to maneuver safely. Access Paratransit will not enter private driveways or gated community/apartment buildings. For information on whether a specific location can be accommodated call Access Customer Service for information.

VEHICLE ARRIVAL – 20 MINUTE ON TIME WINDOW

All Access Paratransit trips are scheduled with a 20-minute pick-up window. That means that a vehicle is considered “on-time” if it arrives at the pick-up location up to 20 minutes past the pick-up time.

EXAMPLE:

- You have a pick-up for 11:00AM
- The vehicle is “on time” if it arrives between 11:00AM and 11:20AM.

If the vehicle arrives after the pick-up window, it is considered late. If you have a late trip, you should call the Operations Monitoring Center (OMC) see page 5 for instructions.

CALL OUTS

A call-out is an automated phone call generated by the driver which lets you know approximately when the vehicle will arrive or that it has arrived. **Although call-outs are convenient, due to technological limitations they cannot be relied upon. Regardless of whether a call-out is requested it is the rider's responsibility to be at the curb when the vehicle arrives.**

In order for call-outs to work, a correct phone number (including cell phones) for the pick up location has to be given at the time the reservation is made. Call-outs will not work with answering machines, pagers, voice mail, relay devices, any kind of "phone menu" where a number has to be pressed to reach the intended party or in certain "dead zones" in Los Angeles County.

Access Paratransit policy requires the driver to wait 5 minutes once he or she has arrived at the pick-up location. There are times when a requested call-out may not occur, such as when the vehicle is in a dead zone, the driver forgets to press the button or if the phone number given by the rider was incorrect. In such cases, if a rider is waiting inside a building for a call-out and not at the curb, the rider risks missing the vehicle and being marked a Rider No Show.

If you have a late trip, you can call the reservation number you called to reserve the trip and ask for an Estimated Time of Arrival (ETA) along with the vehicle number that has been assigned to your trip. If the vehicle has not arrived within the given ETA, **call the Access Services Operations Monitoring Center (OMC)** at 1-800-827-0829, press 2 (see page 5 for more on the role of OMC).

HOW LONG WILL THE DRIVER WAIT FOR ME?

The driver will wait at the pick-up location **5 minutes** for you. You must be at the scheduled pick-up location at the scheduled pick-up time or you may miss your ride and be charged a Rider No Show. (See page 12)

NOTE: If a driver arrives early they must wait until the scheduled pick up time and 5 more minutes for you. A late driver should not just drive by the pick up location without stopping.

ACCESS VEHICLES

IMPORTANT: All certified Access Paratransit vehicles have the following logo:

In certain cases, a “non-certified” vehicle may be sent to pick you up. If you do not see this logo, please ask the driver before you get in if they are an Access Paratransit driver.

HOW DO I BOARD THE VEHICLE?

Drivers will offer assistance to you getting on and off the vehicle but cannot physically lift or pick you up. Most Access Paratransit accessible vehicles have ramps, but some have lifts. You may board while standing on the lift and, if requested, the driver will ride on the lift with you to ensure your safety.

SECUREMENT ON A VEHICLE

Access Paratransit requires that you use a seatbelt. If you need a seatbelt extension, please ask for one. The driver will assist you if requested.

Only drivers may position and secure riders using wheelchairs or mobility devices in a forward-facing position.

WHEELCHAIRS AND MOBILITY DEVICES

Access Paratransit will make every attempt to accommodate “common” wheelchairs, scooters and other mobility devices, using the definition of the ADA. However, federal law says that these devices cannot exceed **30 inches wide, 48 inches long** and **600 lbs.** in total weight (rider and mobility device).

Access Paratransit may not be able to accommodate mobility devices larger than these dimensions.

IMPORTANT! If you forget to inform the Reservationist that you use a mobility device or you change to another mobility device without informing Access Paratransit, the vehicle dispatched for the scheduled trip may not be able to accommodate you.

Your permanent record indicates the type of mobility device you use, if applicable. If you change mobility devices after your certification interview, you must inform Customer Service immediately.

You should inform Customer Service if Access Paratransit does not send a vehicle that is accessible to the mobility device of record and which you told the Reservationist you would be using.

SERVICE ANIMALS

You are welcome to travel with your service animal aboard Access Paratransit. Remember to inform the Access Paratransit Reservationist when you are traveling with your service animal.

All riders are asked to show consideration to these working animals and their owners, who have the right to use Access Paratransit.

PERSONAL CARE ASSISTANTS AND GUESTS

A Personal Care Assistant (PCA) is someone who assists you with your personal care. During the eligibility certification process if you were approved to have a PCA it will say so on your ID card.

As an eligible rider, you may travel with a PCA and one guest. The PCA rides free but the guest must pay the same fare as you. Additional guests may travel with you if space is available. Each guest must pay the full fare. If a guest No Shows the rider must pay the full fare for that guest. The PCA or guests must board and exit the vehicle at the same locations as the rider being assisted.

TRANSPORTING CHILDREN

If your child uses Access Paratransit and is five years of age or younger, an adult attendant (PCA) must

accompany the child. All eligible riders, regardless of age, must pay the fare.

When scheduling a trip please be sure to inform the Reservationist that the child rider will be traveling with an attendant.

Children 5 years of age or younger scheduled to travel with eligible riders are not charged.

IMPORTANT! Access Paratransit does not provide safety seats for children. Children 5 years of age or younger or children weighing less than 60 pounds must be secured in a car safety seat when traveling on board an Access Paratransit vehicle or they will not be transported. You may be ticketed by local law enforcement if your child is not in a child safety seat. It is the responsibility of the parent or PCA, not the driver, to secure the safety seat and child.

TRANSPORTING PETS

Non-service animals may travel on Access Paratransit only if the animal is in a properly secured cage or container that meets the guidelines of the package policy and does not jeopardize the health or safety of other passengers or the driver. The driver cannot assist in loading or unloading the cage or container.

Reminder: Please be considerate of riders who may be fearful of dogs or other animals.

CARRY ON PACKAGES

An eligible rider may bring packages aboard Access Paratransit vehicles equivalent in size to 2 paper or 6 plastic grocery bags. The combined weight of all packages must not exceed 25 pounds. Rider or PCA must be able to maintain control of packages while on the vehicle. Drivers may help load packages on and off the vehicle to and from the curbside only.

IMPORTANT! You cannot transport hazardous materials such as weapons, fuel, corrosives, etc.

LOST & FOUND POLICY

Access Paratransit is not responsible for lost or damaged items.

If you leave an item on an Access Paratransit vehicle, call reservations for the region in which you were picked up and inform the Reservationist. If the item is located, you may schedule a Next Day ride to pick up the item at the lost and found department. All lost and found articles are disposed of after 60 days.

What Happens Once My Complaint Is Filed?

1. Your complaint is entered into a computer system that tracks problems with ASI and its providers.
2. What happens to your complaint after it is entered into ASI's computer system really depends on the facts of your situation. Global Positioning Satellite (GPS) tracking will be checked to determine where a vehicle was and when. For more information see: "Complaint Process Flow Chart – Overview" on our website (www.asila.org).

What Happens If My Provider Retaliates Against Me For Filing A Complaint?

ASI does not tolerate retaliation against riders. If you file a complaint and later feel you are retaliated against, file another complaint concerning the retaliation.

For more details on the complaint process see our website at www.asila.org or contact Customer Service

If you are not satisfied with the investigation or resolution you can file an appeal to be heard by a special Complaint Appeals Committee of riders. Complaint Appeals can be filed by contacting Customer Service.

How Can I Prove I Scheduled or Cancelled a Ride?

A rider may request a copy of the taped trip reservation or cancellation by contacting Customer Service at (800) 827-0829. It is Access Services' policy to respond to the rider within 14 calendar days of the request. The first 4 requests per year are free and can include up to 4 reservation/cancellation calls per request. After the 4th request a fee will apply to obtain a copy.

If you require assistance using ASI's complaint process, besides asking ASI for help, the following agencies may be able to assist you: your local Independent Living Center, your local Area Board; and/or the Client's Rights Advocate at your local Regional Center.

You also have the right to file complaints with the Federal Transit Administration.
